 Weight load: 65 lbs./per arm

Specifications and Features:

Specifications

Pemco's PSC30 Hub Mount Shepherd's Crook is a 30" crook constructed of seamless aluminum tubing. Pemco's Shepherd's crooks include factory installed rubber grommets for wireways, press-on end caps and set screw shaft mounting connections for easy orientation adjustment in the field.

Finish

Super durable polyester powder coat finish. Custom finishes, including patinas and all RAL colors (adder).

Requirements

The PSC30 Shepherd's Crook requires a sleeve. Please indicated OD of pole when ordering.

Warranty

5 year limited warranty on paint finish only
