

STREET SIGNS, BANNER ARMS

Specifications and Features:

Eyebolt - Smooth

Eyebolt - Fluted

Materials

Eye bolts are stainless steel. The clamps for the clamp-on eye bolts are copper-free cast aluminum produced from certified ASTM ingot.

Installation

Bolt-on Eyebolts (EB-BO) screw into the post (must indicate location). The clamp-on mountings (EB-CO) clamp around the post, secured with two 1/4" hex head stainless steel bolts. Post diameter at mounting point must be specified. Clamp mounts feature the same basic coupling for 4" and 5", and are also available in a custom size for larger poles. Double eye bolts, positioned at 180°, are available.

Finish

Super durable polyester powder coat finish. Custom finishes available, including patinas and all RAL colors.

Warranty

5 year limited warranty
